

CSP Network to Active Partnerships

A change of name for the network, Wesport's role

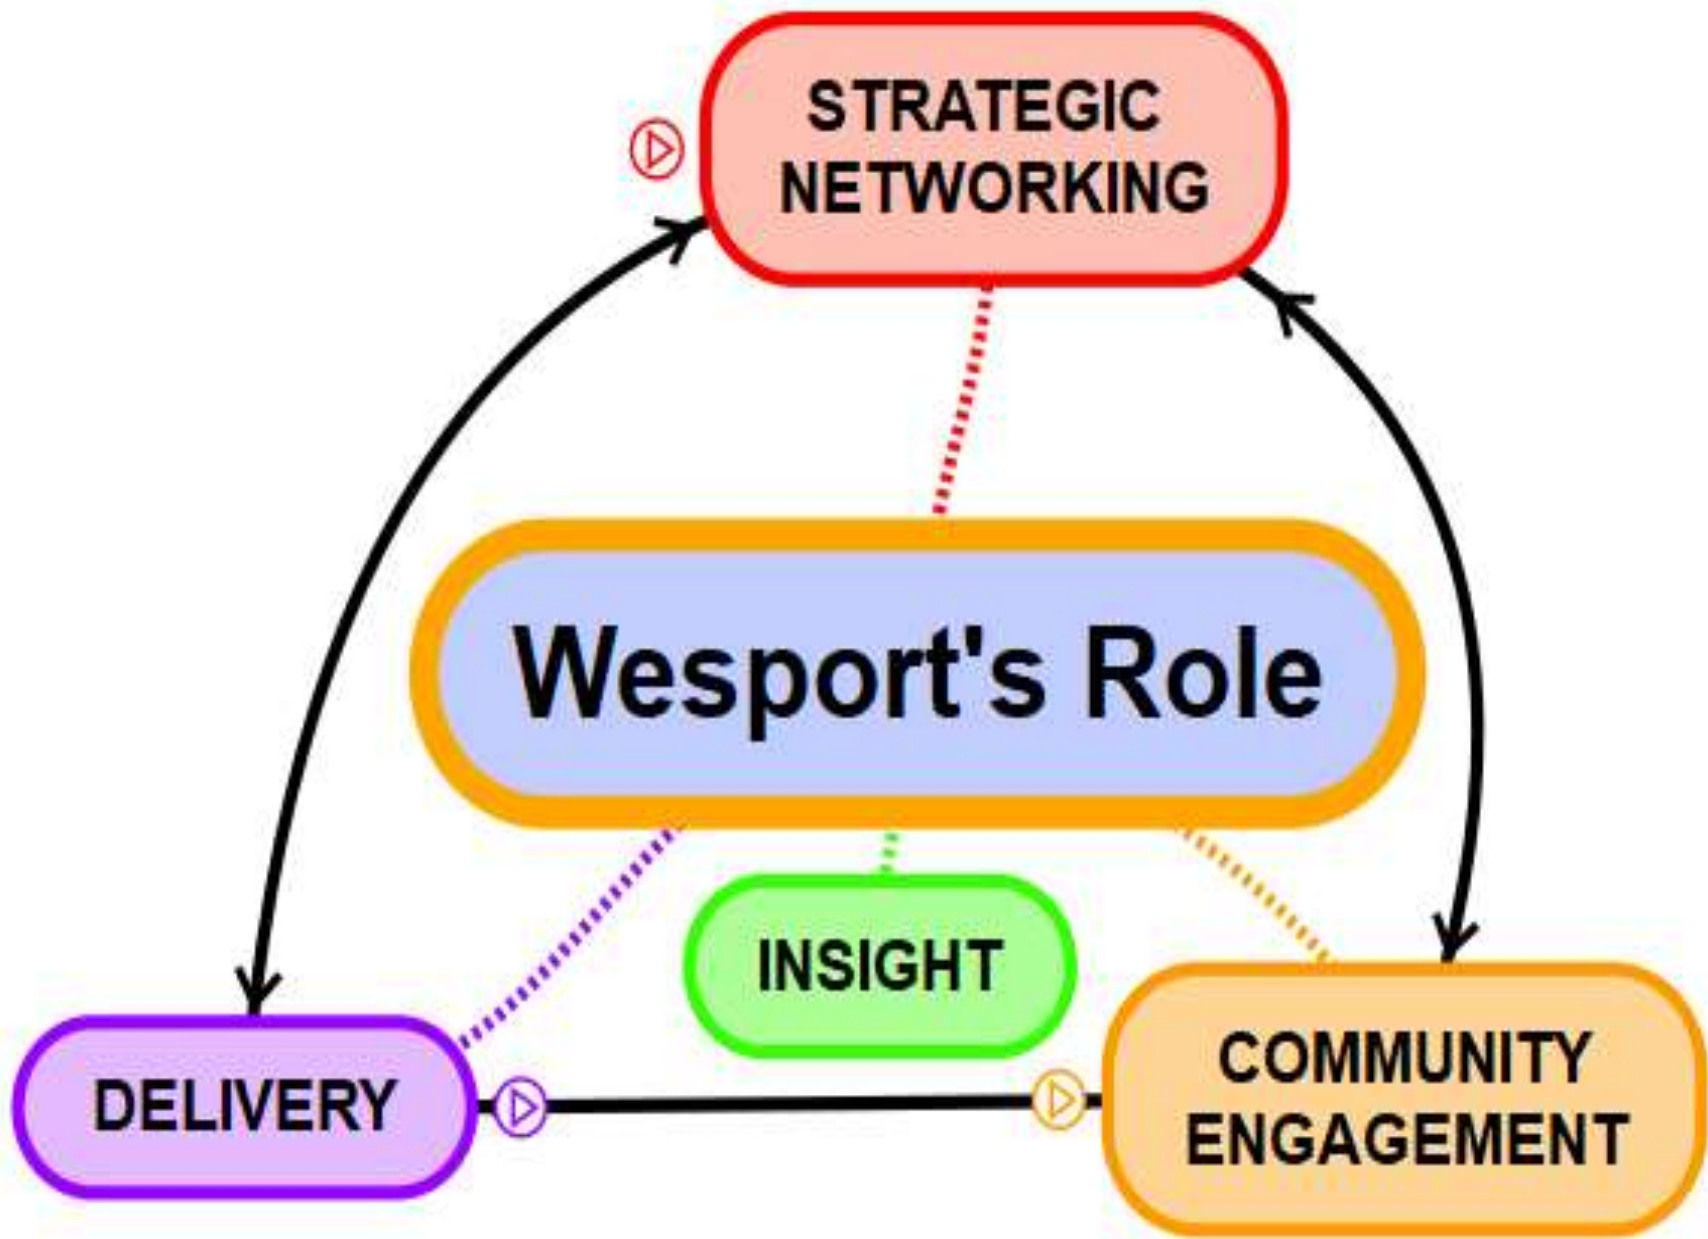

Bristol Sports Gathering
27th June 2019

Active Partnerships

Engaging Communities, Transforming Lives

Primary Role

As part of Wesport's **Primary Role**, it is building a **Granular Understanding** of the West of England, and working with its **Unitary Authorities**.

This understanding, including the **networks** and organisations Wesport connects to, enable Wesport to identify **communities** where it can make a difference.

This allows Wesport to use the **tools (skills and knowledge) and programmes** at its disposal to make a difference in a community.

This year and beyond

- Primary Role
- Influencing
- Project Delivery (national and local) including
 - Workforce, Coach Core & Workforce Innovation Project
 - School Sport, The Daily Mile & Primary Premium Support
 - Satellite Clubs
 - Workplace competitions
 - Club and Volunteer workshops (safeguarding, first aid, others)
- Consultation on / preparation of new Wesport Strategy (2020 – 2025)
